## FALL OPENING

Will be far beyond anything of the kind ever seen before, as Mr. H. KING, who has just returned from Europe, exerted himself to his utmost while in Paris and Berlin, sparing neither money nor expense to place before our patrons an unparalleled feast of Exclusive Fashions and Styles for KING'S PALACE only. Our goods have been purchased for Cash Only. Desiring to give our customers the full benefit of the reduction in values, our prices will be emphatically the lowest.

The array of Trimmed Hats and Bonnets, exclusively designed for us by the Foremost Parisian Artists, also many other Materials and Novelties will leave nothing to be desired. Among other leading Departments, our Cloak Department will be a Grand Feature. While in Berlin, Mr. King has obtained styles exclusively for KING'S PALACE, and we invite your special attention to our

## LADIES', MISSES' AND CHILDREN'S CLOAKS.

Our reputation for Low Prices, Styles and Fashion, as well as for extensiveness of Stock and as Leaders in the Millinery Trade, will again be more than justified.

All are cordially invited to attend our Grand Opening. We tender our thanks for the generous support and patronage extended to us. We shall in the future, as in the past, strive to be worthy of it.

Silk Velvets and Plush.

King's Palace is the great headquarters for Trimming Velvets, and Plushes; also Velvetene. We do not desire to quote prices, but we respectfully ask you to inspect our elegant stock and post yourself regarding prices. Comment is unnecessary; we are sure to please you as to both quality and price.

## Cloak Department.

We call your attention to our

## Cloak Department,

Having made it a special feature, like our Millinery Department. We offer the largest and best assorted display ever produced in Washington city, having personally purchased while in Berlin, the great center for cloaks for all parts of the world; and being particularly desirous of having my own styles, over which I have exclusive control, we are enabled to offer some lovely nobby designs, particularly for misses and children, as well as for ladies, which cannot be found elsewhere.

We Also Offer Specialties in Plush Coats,

40 inches long, at \$20, \$22 and \$25; also at \$18, to arrive by next steamer from Europe.

Our stock of Short Jackets, Newmarkets, Visites and Circulars in the different materials is immense, and we most urgently request all in need of

Ladies', Misses'

—AND—

Children's Wraps

Not to purchase until you have inspected our grand assortment. We don't fear competition, as our prices will prove the assertion.

Now, remember, to be fashionable and of also equal importance, to save money (which is the duty of every one), go to

KING'S PALACE.
